Registration
The Global Finals event registration fee will allow each team to participate in a Global Finals unlike any before. Each team will be able to register unlimited supporters and choose the food and lodging accommodations that best suit their individual needs.

Pricing
Team registration fees include unlimited credentials per team and a guarantee of up to 10 tickets to the Welcome Ceremony and Closing Celebration, with overflow viewing available on a big screen. Also included is full participation in the Team Challenge and Instant Challenge portions of the tournament, an individual Prop Storage exhibit space, free workshops, and daily and nightly special events throughout the week. Kansas City will also offer “DI-only promotions” for local attractions.

Price per team is $5,500 with a deposit of $1,500 due within two weeks after the team’s Affiliate Tournament. International teams are eligible for a $500 stipend per team if incurring charges for visas and/or passports.

Tickets for Opening & Closing
Like previous years, an up-to-10-ticket per team policy for arena seating is in place for Global Finals 2019’s Welcome Ceremony and Closing Celebration. The goal is to ensure that students get priority seating, while also accounting for Team Managers and chaperones. We expect that most supporters arriving on Wednesday will be able to sit in additional festival seating available in the Sprint Center, but cannot offer guarantees until final registration numbers have been received. Ticket quantities will be distributed based on the total number of Team Members and Team Managers designated during the online registration process by May 1. Please be sure to check that you have properly designated up to seven Team Members and up to three Team Managers to receive the appropriate number of tickets for your team.
Payment Process

Step 1
Affiliate Directors certify eligible teams to attend Global Finals.

Step 2
Team Managers receive an email which will direct them to accept or decline their invitation to Global Finals.

Step 3
Team Managers register online and pay a $1,500 deposit. This must be completed within two weeks after the team’s Affiliate Tournament.

The deadline for Team Managers to register names of all Global Finals attendees is May 1, 11:59 p.m. EST. Please note that any additional attendees who register after May 1 will be able to register on-site with a valid ID and Team Number. (A processing fee of $25 per person will be assessed for anyone applying for credentials on-site.) More information on protocol for attendees added after May 1 will be available on GlobalFinals.org.

Important Deadlines

Deadlines
The most important date to remember is **Wednesday May 1, 2019**. This is the deadline for all Global Finals services, including online registration, credential signups, pre-ordered food selections and hotel blocks.

Cancellation Policies
Changes can be made to team registrations until **May 1, 11:59 p.m. Eastern Time**.
To avoid all additional penalties, all team registrations must be completed by this date. Remember that your team’s deposit of $1,500 is due two weeks after your Affiliate Tournament. A balance is permitted to be carried to the event, but registrations paid in full by May 1 will be eligible for express registration on-site.

Team Late Registration
If the team registers after May 1, 11:59 p.m. Eastern Time, there will be an additional $500 penalty.
Registration fees, including the additional $500 penalty, must be paid immediately and in full.

Team Late Cancellation
If the team cancels before May 1, 11:59 p.m. Eastern Time, Destination Imagination will refund 50% of the $1,500 deposit (i.e., $750). Starting May 2, no refunds will be issued for cancelled teams. If the deposit is not paid by May 1, 11:59 p.m. Eastern Time, the team will automatically be cancelled and Team Late Registration rules will be enforced if the team would like to be reinstated. Refunds for cancellations prior to May 1, 11:59 p.m. Eastern Time will be processed 6 to 8 weeks after the event, less cancellation fee of $750. Cancellation fees are not transferable.

Credentials After the Deadline
If a team needs additional credentials that are not entered through online registration by May 1, there will be a $25 processing fee per credential and proper forms and identification will be required on-site. More information about this protocol will be available on [GlobalFinals.org](http://GlobalFinals.org) under Registration. To avoid significant wait times on site and additional fees, please have all attendees registered before May 1.
Props
This year’s Prop Shipment process is new! Each team will have a designated prop storage booth, organized by Challenge for the entirety of the event as a place to display props or meet as a team.

Prop Valet
This year we will be offering delivery of your props by a Destination Imagination Global Finals Prop Valet service! Prop Valet is partnering with Destination Imagination to make prop load-in the best experience possible for all teams. Using Prop Valet will eliminate stress and wait time associated with moving props into Prop Storage. This allows your team to spend more time focused on their Presentation and having fun when they arrive in Kansas City!

Booths
Each booth will be an 8ft x 8ft space and will be identified with your booth number, Team Number and Team Challenge time. In order to make loading into the new Prop Storage space as efficient as possible, props should be packaged in a way that professionals can assist with the move-in. Teams will be notified of their booth numbers after May 5. If you need to ship prior to the assignment of your booth number, you MUST make sure that your Team Number and Team Challenge are clearly visible on the official shipping label, which can be found at GlobalFinals.org.

Driving Props
If you plan to drive your props to the site and unload, please make sure to indicate that when you register for Global Finals. Teams that plan to unload their own props will be provided directions to Prop Storage when they register on-site. All teams must receive credentials before unloading. Credentials, received by a Team Manager at registration, will be required to access Prop Storage.

If teams are able to wait until Wednesday for prop placement in their booth space (i.e., their Presentation time is not until Thursday-Saturday), there will be an alternate location to drop off props on Tuesday. For those who choose this option, props will be delivered to the teams’ booths overnight on Tuesday and will be available to teams on Wednesday morning.

No vehicles with props will be accepted between Friday, May 17 at 2:00 p.m. CT and Tuesday, May 21 at 2:00 p.m. CT. If your props are in a combined truckload arriving after Tuesday, May 21 at 2:00 p.m. CT, instructions for drop-off will be available at GlobalFinals.org. Please note that no one will be permitted in Prop Storage without credentials, which must be received by the Team Manager at Municipal Arena. Teams are encouraged to pack props in a way that professionals can assist with unloading. Specific instructions regarding where and how to drop props via vehicle will be available at GlobalFinals.org and at registration on-site.
Shipping Your Props
Teams may hand-deliver their props to their Prop Storage booth or use our Prop Valet service at no extra cost.

Prop Shipment Options
We encourage teams to ship or deliver their props in advance to avoid long vehicle wait times to unload on site. If you ship in advance, your props will be delivered no later than 5:00 p.m. CT Tuesday, May 21 to your team’s dedicated Prop Storage booth. Whether you are shipping via air, freight or hand-delivery, you MUST use the official shipping label which can be found at GlobalFinals.org. This label MUST be affixed to all items in your team’s shipment and clearly visible.

Prop shipments cannot be accepted by Prop Valet after Friday, May 17 at 2:00 p.m. CT.

Ship your props early for a chance to win!
Teams whose props are received by our Prop Valet service no later than Friday, May 17 at 2:00 p.m. CT will be entered to win one of two Global Finals $5,500 registration fee reimbursements. Teams that ship or hand-deliver ALL of their props by this date will be eligible. Both hand-delivery and shipment instructions will be available at GlobalFinals.org.

We have partnered up with security professionals that will be overseeing and executing the security program, along with the Kansas City, Missouri Police Department, as well as other emergency management professionals. To help ensure a safe and secure trip to Kansas City, please review safety and security tips with your team that can be found at GlobalFinals.org.

We have implemented a robust security program, that will include some of the following protocols:

- 24-hour building security for all areas of the event
- Strict credentialing system for ALL attendees and working staff that easily identifies individuals that are authorized for the event
- Bag search upon entry into facilities. (Please bring only what you need to ensure a speedy entry into each facility.)
- Uniformed Event Security and Police Officers

A clear bag policy will be in effect at the Sprint Center. Each team will receive a clear bag at registration. Team Members should plan to bring minimal items. All items holding pins will have to be removable and must be easily examined. To avoid long wait times, please refrain from placing any pins on any articles of clothing that cannot be removed. Pin binders will not be allowed into the arena, so we encourage you to place pins on a pin towel, lanyard or in your clear, approved plastic bag.

In the event of an emergency at Global Finals, all Team Managers registered in the emergency system will receive a phone call or text message. Team Managers sign up by entering their phone numbers online when registering their teams.

2. **Garage/Yard Sale**
   Like they say—one person’s trash is another person’s treasure. Gather items you no longer need or want. Talk to friends and neighbors about your cause and ask them if they would be willing to donate their used items (furniture, clothes, electronics, books, toys, etc.) for your fundraiser. And don’t be afraid to price items generously as many people will tend to bargain the prices down.

3. **Fundraising Breakfast or Dinner**
   Mangia! From pancake breakfasts to barbecue to spaghetti dinners, dining fundraisers are extremely popular. (You can even do a few gluten-free dishes with all the options now available!) However, hosting this type of fundraiser is not enough. In addition to selling tickets, have a donation jar, raffle tickets and silent auctions to increase your potential donations.

4. **Bake Sale**
   Many DI teams have had sweet success hosting a bake sale. A bake sale can be as little as a table set up with cookies, cupcakes and a donation jar, or they can be larger events with vendors, auctions and even a bakeoff with neighbors and local bakers. In addition to baking your own goods, ask friends, family members and supporters of your cause to bake and donate cakes, cookies, muffins, pies and other delicious goods.

5. **Silent Auction**
   A silent auction is a great fundraising method that can be done as a standalone event, including online, or as part of another fundraising event. From fun outings to tickets to a museum or play to restaurant gift cards, you can provide a range of items up for auction. To avoid spending too much money on prizes, work with local businesses on donations that will help bring them business in return.

6. **Restaurant Night**
   Many national restaurant chains, including Chipotle, McDonald’s and Pizzeria Uno, sponsor fundraisers for schools and community organizations and will donate a percentage of sales on a dedicated day/ evening to the organization or school. Be sure to sit and enjoy a meal with your own family!
7. **Adult Spelling Bee**
   Get the word out and bring your community together for a fun, hilarious and nerd-filled night where adults are tasked with being in the spotlight. Invite local celebrities to compete or at least attend your event. In addition to charging admission, consider setting up a donation jar and offering a raffle for a few prizes, such as local restaurant gift certificates.

8. **Car Wash**
   Car washes are popular fundraising events because they require very little planning and work really well for groups. Consider whether you want to accept donations or charge a set amount. And make sure you have a reliable source of water!

9. **Pie in the Face**
   Pie in the Face can be incorporated into many different types of fundraisers or can be done as a stand-alone event. For a small donation, $3 for one pie or $5 for two, event attendees can toss a pie in the face of your mayor, teacher, principal, or even your DI team.

10. **Pajama Day**
    School starts early and even kids have days where they want to stay in their pajamas and sleep in. Work with your school in setting up a designated day where students can donate one or two dollars and wear their pajamas to school.

No matter which option(s) you choose, it’s important to be creative, to tap into all of your networks, and to make sure you promote your event. Reach out to local media! If you have a community newspaper, meet with the editor and let him or her know about DI and your team’s accomplishments. The paper may be willing to feature a donation drive or a fundraiser you are organizing, which will make your event more successful.

The most important thing to keep in mind is to be yourself and have fun. If you and your team are enjoying yourselves and are passionate about your cause, your community members will be more likely to make a donation.

**Donations and Sponsorships**

Some donors and sponsors prefer to send donations to a registered 501(c)(3). If your team is receiving donations for Global Finals, please be sure to review the donations protocol at [GlobalFinals.org](http://GlobalFinals.org). It is very important that any donation received on your team’s behalf includes your Team Number. For more information on tracking team donations, please visit [GlobalFinals.org](http://GlobalFinals.org).

To assist teams in gaining sponsors, helpful resources are available on the Global Finals website. These include a PowerPoint presentation that teams can show to potential sponsors, as well as a letter template that teams can send to potential sponsors. Check [GlobalFinals.org](http://GlobalFinals.org) for additional resources related to donations and sponsorship.
