Parking App

[The Parkmobile app](#) can be used to pay for any of the City's 1,500 parking meters. Additionally, the new Parkmobile Reservations option makes it easy to reserve spots in downtown parking garages any time. Once registered, they can use the mobile app, the Internet or a toll-free number – 877-PARK-HLP or 877-727-5457 – to pay for parking.

After setting up the account, customers can immediately start using the system with their registered mobile phone. They can also select the option to use Parkmobile Wallet, receive alerts and reminders 15 minutes prior to the expiration of their parking session. The service charges a nominal service fee for transactions.
