

All teams can book transportation at www.SuperShuttle.com or by calling 1.800.BLUE.VAN using code DWYAV. Below is the discounted price list for each hotel for each type of transportation available.

Downtown and Plaza hotels have a single passenger booking option which will save passengers money if there is only 1 person or 2 people traveling together. IF there are 3 or more people traveling together booking the dedicated option is cheaper.

They can book based on their group size with pricing for up to 3 passengers traveling together, 4-7 passengers traveling together, or 8-10 passengers traveling together. More than 10 passengers will make more than one reservation depending on their team size (for example, 15 people would book a 4-7 passenger reservation and an 8-10 passenger reservation).

After attendees land they should get their luggage & group together, then they will proceed to the Ground Transportation booth located at each baggage claim where we will check them in and direct them to their vehicle.

We will be bringing in larger vehicles to accommodate the larger volume of passengers. We will then group together groups going to the same hotels to expedite pick up and drop off. Dedicated groups will not make more than 2 stops (so we will only put groups from up to two hotels located near each other together).

SuperShuttle will do a drawing for five \$100 gift cards from all of the reservations that are made by May 10, 2019.
